

2TH ANNUAL PRODUCTION SALE

**Wednesday, February 11, 2015
1:00 p.m. CST at the Ranch
Douglas, ND**

Lot 9 SYS REQUEST B33

Lot 13 SYS RIFLE B59

**Gary Sys 701-722-3244
Derek Sys 701-722-5533**

WELCOME

to the 7th Annual Sys Simmentals Production Sale!

Welcome to our 7th Annual Production Sale. We would like to thank you for your interest in our cattle. This year we are selling 32 yearling bulls. We invite you to come to the farm and look at the bulls prior to the sale.

In the spring we vaccinated the bulls with 7-way, Bovishield Gold 5, One Shot and Enforce Three. In the fall they received a booster of 7-way and One Shot. They were also poured with Dectomax.

The bulls were fed a mixed ration of chopped pea and barley hay, corn silage, ground corn and dried distiller grain.

We will have scrotal circumferences for the sale.

Noon lunch will be provided before the sale which starts at 1:00 p.m. We'll see you on sale day!

Sys Simmentals

SALE LOCATION

Sys Simmentals
9400 205th Avenue SW
Douglas, ND 58735

Driving Directions

From Minot, ND: 10 miles south on Hwy 83,
5 miles west on County Road 20, 2 miles south
on County Road 15, 1-1/4 miles west.

From junction of Hwy. 83 & Hwy. 23: 5 miles
west, 3 miles north on County Road 15,
1-1/4 miles west.

VISITORS WELCOME ANYTIME!

Feeding Arrangements: We will feed bulls free of charge until April 1st, at which time we will coordinate deliveries. We are not responsible for accidents, therefore we encourage you to insure your purchases.

Trucking: There will be a \$50 discount for those who haul their purchases home on sale day.

Announcements: Announcements made from the auction block shall take precedence over printed material in this catalog.

Auctioneer/Ring Man

Butch Haugland, Auctioneer: (701) 965-6234

Loren Sorenson, Ring Man: (701) 694-2627

Delivery: We will assist buyers in coordinating loads and making the most economical trucking arrangements possible.

Insurance will be available on sale day.

Terms & Conditions

All bulls are guaranteed breeders. Purchaser shall let seller know within six (6) months of purchase if bull is unsatisfactory. Bulls will be returned at buyers expense. Seller has the right to semen check the bull. If the bull is found unsatisfactory, seller will replace with a bull of equal value agreed upon by both parties, or return purchase price. In no instance shall seller be responsible for more than the purchase price.

For those who cannot attend the sale, we will honor a phone order and guarantee your phone purchase to meet your request when inspected personally by you. Bulls will be sold to the highest bidder.

Dispute amongst bidders will be settled by the auctioneer by reopening the bidding among the parties involved. The auctioneer's decision shall be final.

As we have no control over Acts of God, we cannot guarantee these cattle against death loss or sickness. We guarantee cattle to be healthy sale day.

Certificates of registry will be supplied by the seller to any buyer requesting them on sale day.

Terms of the sale are cash or check at the time of the sale unless other arrangements are made prior to the sale.

We will abide by the rules set forth by the American Simmental Association.

Semen Rights: We are selling full possession, full salvage, plus 2/3 semen revenue. This means any semen sold of the bulls, Sys Simmentals will receive 1/3 of the selling price per unit. We also reserve the right to collect up to 100 units of semen on any of the bulls for our own use. This semen will be collected at our expense and the buyer's convenience. Please contact us if you have questions.

Anyone attending this sale attends at their own risk.

Breeders or any of the sale staff will not be held responsible for any personal injury while attending this sale.

We think pretty highly of this bull and his mother. Cameron bought this cow as an open heifer from Nicholsons a few years ago. As a first calf heifer she produced the high selling bull in our 2012 sale with a SAV Final Answer calf. She is solid black, easy fleshing, average frame, and super high capacity as she is wide and deep from end to end. Its hard to find a hole anywhere in this calf, phenotypically or in his EPD's. We should have DNA results for Black and Polled by sale time.
