Welcome to our 13th Annual Sale, held here at the farm. I pray you are doing well as we come into the new year. 2020 was another memorable one for sure. I think I'll just stick to the weather and recap a little of what we had here. It seemed like we got more snow in April and May than we had in January through March and then the water pretty much shut off except a few inches in early summer. Boy do the calves grow when the grass gets dry though! These boys took off and didn't slow down.

We continue to use AI and embryo transplant heavily in our breeding program. All the females get a chance. We use our own cows off the bottom of the herd for recipient cows, which seems to have a few advantages besides having the ET calves raised the same as all the others. We cull out all the lower end cows every year and have those cows raise our top genetics to put back into the top of the herd, building our genetics faster.

We have 51 bulls on the offering for your selection. Pre calving the cows received scour guard and 7 way. At birth the calves were vaccinated with Enforce Three, then at about three weeks we gave them a booster of 7 way and a Bovishield Gold 5, and a One Shot Ultra at turn out. At weaning they received a booster of One Shot Ultra 7 and a Resvac 4/Somubac, then poured in December with cleanup.

Pre weaning we introduced creep feeders with 1/2 oats and 1/2 creep pellets. We feel this is a safe and effective way to lower stress at weaning and get calves started on feed. Post weaning the bulls were fed a high roughage 47 mcal TMR consisting of chopped hay, corn silage, dry distillers and ground corn. Along with a 12/12/ dry mineral, free choice of salt and Flaxlic tubs.

We'll see you on sale day!
Visitors welcome anytime!

Auctioneer/ Ring Man

Butch Haugland, Auctioneer..... (701) 965-6234
 Loren Sorenson, Ring Man (701) 641-1140

Terms & Conditions

All bulls are guaranteed breeders. Purchaser shall let seller know within six (6) months of purchase if bull is unsatisfactory. Bulls will be returned at buyers expense. Seller has the right to semen check the bull. If the bull is found unsatisfactory, seller will replace with a bull of equal value agreed upon by both parties, or return purchase price. In no instance shall seller be responsible for more than the purchase price.

For those who cannot attend the sale, we will honor a phone order and guarantee your phone purchase to meet your request when inspected personally by you. Bulls will be sold to the highest bidder.

Dispute amongst bidders will be settled by the auctioneer by reopening the bidding among the parties involved. The auctioneer's decision shall be final.

Certificates of registry will be supplied by the seller to any buyer requesting them on sale day.

Terms of the sale are cash or check at the time of the sale unless other arrangements are made prior to the sale.

We will abide by the rules set forth by the American Simmental Association.

Announcements: Announcements made from the auction block shall take precedence over printed material in this catalog.

Insurance will be available on sale day.

Feeding Arrangements: We will feed bulls free of charge until April 1st, at which time we will coordinate deliveries. We are not responsible for accidents, therefore we encourage you to insure your purchases.

Trucking: There will be a \$50 discount for those who haul their purchases home on sale day.

We DNA sampled most of the bulls for enhanced EPD's, coat color, and polled status. Results were not yet available at the time of catalog printing. Please check our website or contact us for results
