Welcome All to our 17th Annual Sale held here at the farm. What a great time to be a part of the cattle industry. We all know it has it's challenges, but what a great way to make a living and raise a family. 2024 brought record highs in the market and an opportunity to cash in those big old herd bulls for top dollar, lowering the replacement cost of your next herd bull. I also think cow efficiency can play a big roll in profitability. Our cows are selected to be easy fleshing and have enough capacity to utilize forages which has increased our ability to graze later into the winter months or as long as our northern climate will allow.

We continue to use AI and embryo transplant heavily in our breeding program. As well as selecting top end herd bulls. All of our heifers, 1st and 2nd calvers and a small group of mature cows are sincronized and AI'd one cycle before bull turnout. We use our own cows off the bottom of the herd for receipt cows, which seems to have a few advantages besides having the ET calves raised the same as all the others. We cull out all the lower end cows every year and have those cows raise our top genetics to put back into the top of the herd, building our genetics faster.

We have 50 bulls on offering for your selection. Pre calving the cows received scour guard and 7 way. At birth the calves were vaccinated with Enforce Three, then at about 3 weeks we gave them a booster of 7 way and a Bovishield Gold 5, and a One Shot Ultra at turn out. At weaning they received a booster of One Shot Ultra 7, and a Resvac 4/ Somubac, then poured in October with Dectomax, and in January with Cleanup.

Pre weaning we introduced creep feeders with 80% oats, 15% whole corn and 5% protein pellets. We feel this is a safe and effective way to lower stress at weaning and get calves started on feed. Calves were weaned in early October. Post weaning the bulls were fed a high roughage 47mcal +/- TMR consisting of chopped hay, corn silage, wet distillers, and whole corn. Along with a dry mineral, and free choice salt and Flaxlic tubs. The wet distillers was a new thing for us this year after the silage came in a little on the dry side and the grain corn dried so fast in the field this year we were not able to grind any high moister corn.

We'll see you on sale day!

- Sys Simmentals

ANNUAL PRODUCTION SALE

Wednesday, Feb. 12, 2025

1 p.m. • At the Ranch • Douglas, N.D.

Join us for lunch at 11 a.m.

SALE DAY PHONES:

Derek.....(701) 509-5870
 Gary..... (701) 509-1154 • (701) 722-5533

AUCTIONEER/RING MAN

Amber Haugland, Auctioneer (701) 641-8792
 Jory Boote, Cattle Business Weekly, Ringman... (701) 789-7047

TERMS & CONDITIONS

All bulls are guaranteed breeders. Purchaser shall let seller know within six (6) months of purchase if bull is unsatisfactory. Bulls will be returned at buyers expense. Seller has the right to semen check the bull. If the bull is found unsatisfactory, seller will replace with a bull of equal value agreed upon by both parties, or return purchase price. In no instance shall seller be responsible for more than the purchase price.

For those who cannot attend the sale, we will honor a phone order and guarantee your phone purchase to meet your request when inspected personally by you. Bulls will be sold to the highest bidder.

Dispute amongst bidders will be settled by the auctioneer by reopening the bidding among the parties involved. The auctioneer's decision shall be final.

Certificates of registry will be supplied by the seller to any buyer requesting them on sale day.

Terms of the sale are cash or check at the time of the sale unless other arrangements are made prior to the sale.

We will abide by the rules set forth by the American Simmental Association.

ANNOUNCEMENTS: Announcements made from the auction block shall take precedence over printed material in this catalog.

INSURANCE will be available on sale day.

FEEDING ARRANGEMENTS: We will feed bulls free of charge until April 1st, at which time we will coordinate deliveries. We are not responsible for accidents, therefore we encourage you to insure your purchases.

DELIVERY: We will assist buyers in coordinating loads and making the most economical trucking arrangements possible.

SEMEN RIGHTS: We are selling full possession, full salvage, plus 2/3 semen revenue. This means any semen sold of the bulls, Sys Simmentals will receive 1/3 of the selling price per unit. We also reserve the right to collect up to 100 units of semen on any of the bulls for our own use. This semen will be collected at our expense and the buyer's convenience. Please contact us if you have questions.

RISK: Anyone attending this sale attends at their own risk. Breeders or any of the sale staff will not be held responsible for any personal injury while attending this sale.

SALE LOCATION: 9400 205th Ave SW • Douglas, ND 58735

DRIVING DIRECTIONS:

From Minot, ND: 10 miles south on Hwy 83,
 5 miles west on County Road 20,
 2 miles south on County Road 15, 1-1/4 miles west.

From junction of Hwy. 83 & Hwy. 23: 5 miles west on Hwy. 23, 3 miles north on County Road 15, 1-1/4 miles west.

From Korral Supply: 1/4 mile north and 1-1/4 miles west

Follow the "logo" signs.
